TRANSPORTED SEMEN REPORT

For resulting foal to be eligible for Canadian Sport horse registration:

1. The Veterinarian's signatures are mandatory. *
2. Pregnancy testing must be completed within 60 days after the last breeding.
3. A copy of this record must be on file at the CSHA office by December 31st of the year of breeding.

This is to certify that, on the dates shown, I _____, a fully qualified and licensed veterinarian in the province of _____, artificially inseminated the mare _____

And only said mare, CSHA # _____, owned by _____ of _____, whose description corresponds in every detail with the identification certificate on the reverse side of this form, with semen of the stallion _____, CSHA# _____, owned by _____, of _____. I also acknowledge receipt of semen in adequately identified container(s), and I personally discarded unused, excess semen.

Veterinarian's signature * or Inseminating Technician

Veterinarian's signature	Breeding	Date Semen received	Container Identity	Insemination Date
	1.			
	2.			
	3.			
	4.			
	5.			

I hereby certify that the above mare was pregnancy tested at _____ days by:

_____ rectally _____ blood test _____ ultrasound

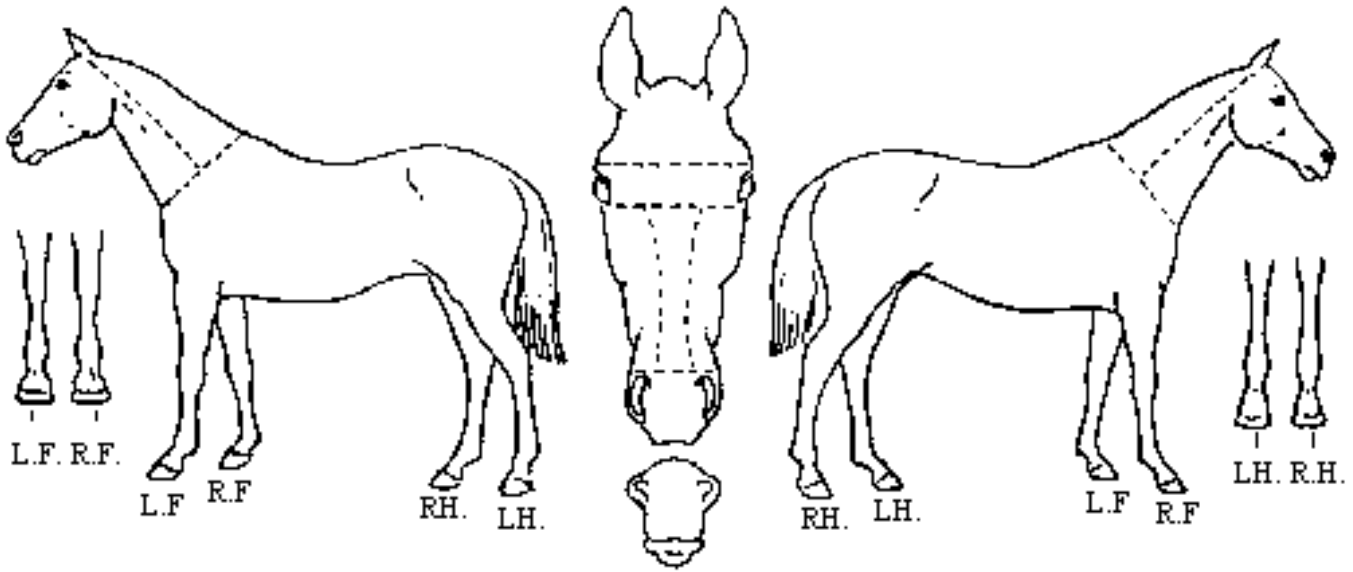

and was found to be: _____ in foal _____ not in foal.

Veterinarian's signature.
