

It's back to business!

Our first in-person AGM since 2019 took place on Saturday, March 11th at the Caledon Equestrian Park, Caledon, ON. It was great to see many familiar and new faces out for the day. We hope more will join us in the years to come.

The conversation was positive and constructive with many new projects in the works which we hope to be able to officially announce in the coming weeks. As always, we rely on volunteers to successfully execute any and all of our programs. If you have interest in getting involved, please reach out to one of our Board members. .

Summer is around the corner and Foaling/Breeding Season is in full swing!  
If you are interested in hosting an inspection, please contact the office.

We are happy to discuss sponsorship opportunities as well. All sponsorship is used to help giveback to our members and is a great way to show your support to the hardworking breeders from coast to coast.
